

ESP™ Rubber from Ohio Brass

Anytime, Anywhere, Any Weather

From coastal towns to high mountain passes, **ESP** polymer products from OB have been providing dependable service in T&D applications for over 25 years.

Insulators — Hi*Lite® insulators are installed on more than 5,000 miles of line.

Arresters — Over seven million polymer distribution arresters have been installed.

Experience — Our extensive testing and

development programs ensure **ESP** meets, or exceeds, all applicable standards for hydrophobicity, mechanical strength, tracking and corona resistance.

Versatility, reliability and experience make **ESP** polymer the right choice for quality power year round, round the world.
